

# N+1

September 25, 2011

The group's Corporate Social Responsibility team (led by Julián Cepeda, Beatriz Reyes and Borja Salgado) has organized a race in aid of the Prodis Foundation. The race took place in Madrid, with around 400 runners. The participants included not only numerous Group professionals but also N+1 customers and suppliers.

The Prodis Foundation has been devoted to support mentally disabled people for 10 years, contributing to their social and professional integration.

The fundraising will be totally destined to provide the computers for a lecture hall in a Prodis Foundation centre for people with disability.

The 5 km race winners were José Luis Garcés in the male category, who recorded a time of 17:35 min. and Ana Ruiz Lafita in the female category, with a time of 25:51 min.

In the 1.6 km run, the winners in the lower (1-12 years old) category were Diego Cepeda and Coro Benavent. In the next category, 13 to 20 years old, the winners were Eugenia Llanza and Alejandro Pascual.
